CONDENSED FOR BUSY PEOPLE

Suit Filed in Covington Against Burley Tobacco Society in Sum of \$135,520.40 and Alleging Society is Organized in Restraint of Trade.

Covington, Ky.—A "new tobacco" war was begun in the federal court here when Clark & Scott, of Seranton Pa., through Attorneys Outcalt, an Hickenlooper, filed suit against the Burley Tobacco Society, alleging \$135,520.40 damages. The defendants named in the action are Clarence Lebus, the president of the society; Stanley Sprewt, G. W. McMillan, R. B. Thomas, C. S. Williams, C. C. Patrick, J. E. Brown, G. A. Brooks, J. C. Hughes and N. J. Stroube. They and others, the petition asserts, conspired with tobacco growers in Kentucky and Ohio to control the white burley tobacco in the United States. The paper sets out that the burley society is a monopoly, and, it is alleged, organized in restraint of trade. The action is filed under the anti-trust law.

OMAHA, NEB., CHOSEN
By Associated Advertising Clubs of America for Next Meeting Place.

Louisville, Ky.—Virginia oratory re-established a reputation for doing things when W. E. Dabney, of Richmond, Va., went into the convention, and by a real oration won a vote of 107 in favor of his town for the next convention. Omaha was finally selected, however, having pledged many cities. S. C. Dobbs, of Atlanta, was elected president after a spectacular contest. Other officers were chosen as follows: W. E. Campbell, Kansas City, first vice president; P. S. Florea, Indianapolis, secretary; Leo Landau, St. Louis, treasurer; Ray Woltz, Chicago, permanent sergeant-at-arms; directors, Will M. Clemms, Memphis; I. H. Sawyer, St. Louis; Orva G. Williams, Chicago; S. K. Evans, New York, and P. V. Collins, Minneapolis.

PROSECUTING MEMBERS

Of Pool Who Disposed of Crops to Outsiders is Burley Tobacco Society. Lexington, Ky.—The Burley Tobacco society is taking action in various parts of the state against members of its pool in 1907 and 1908, who, after signing a pledge to sell only to pool members, disposed of their crops to outsiders. At Mayville the board of control of the Burley society filed suit against Thomas Malone for \$5,800, against C. M. Sidwell for \$640 and Patrick Collins for \$2,500, alleging they had violated the pledge. All will be prosecuted under the provisions of the Crecelius law, passed by the last Kentucky legislature, which prohibits such sales.

Louisville, Ky.—Masonic rites were observed at the funeral of Rev. Albin V. Sizemore, scholar, linguist and theologian, which took place here. Dr. Sizemore was one of the best known Baptist ministers of the state.

Frankfort, Ky.—The state marksmanship record at the 500-yard range was broken at Camp J. Franklin Bell by Maj. Felix Kerriek, of the First regiment, who made a score of 48 out of a possible 50 at the long range.

Lexington, Ky.—Judge A. M. J. Cochran has issued an order in the federal court of Richmond dismissing the suit of the Continental Realty Co. vs. C. J. Little and W. L. Taylor for \$496,000.

Cynthiana, Ky.—Herman F. Rohs, missing for several days, was found working in a tobacco field eight miles from this city. His uncle left with him for Cincinnati, returning him to his father, H. B. Rohs, a jeweler at 1411 Vine street.

Lexington, Ky.—Mrs. Mary Belle Lucas, lying wounded by a pistol bullet in her home at Torrent, Ky., declared that Joel Stamper, her brother-in-law, was the second man implicated in the assassination of James E. Marcum in the Breathitt county feud.

Silence!

The instinct of modesty natural to every woman is often a great hindrance to the cure of womanly diseases. Women shrink from the personal questions of the local physician which seem indelicate. The thought of examination is abhorrent to them, and so they endure in silence a condition of disease which surely progresses from bad to worse.

It has been Dr. Pierce's privilege to cure a great many women who have found a refuge for modesty in his offer of FREE consultation by letter. All correspondence is held as sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Favorite Prescription restores and regulates the womanly functions, abolishes pain and builds up and puts the finishing touch of health on every weak woman who gives it a fair trial.

It Makes Weak Women Strong, Sick Women Well.

KENTUCKY PRESS ASSOCIATION

Gov Wilson has issued a proclamation convening the sheep-breeders, County Judges and County Attorneys of the different counties of the state, in Convention at the State Fair grounds Louisville, on Wednesday Sept. 15th, for the purpose of taking steps to stamp out the disease "scabies" so prevalent among sheep in Kentucky and lift if possible the quarantine against Kentucky sheep, made by the Department of agriculture at Washington. Judge Bethurum has named the following gentlemen as representatives from this county: Judge S. D. Lewis, G. S. Griffin, Gus Staverson, W. B. Whitehead, J. W. Moore and Chint Lear. The success of this convention means much for the sheep industry in Kentucky.

TOMORROW is the day when the Democrats are to meet and take some action in nominating ticket for county offices to be voted for at the November election. As we have often said, we have no desire to try to boss or dictate and therefore we have said but little. We prefer to be a follower rather than try to be leader, and hence we have waited patiently for older and more experience heads to say what should and what should not be done. We hope to see a large number of democrats present tomorrow, so that wherever action might be taken, let it be the action of a representative number

of the party, and not make it, by necessity, the acts of a few.

Dr. Fredrick A. Cook, of Brooklyn who in July, 1907, departed in search of the North Pole and who had not been heard from for over a year, startled the civilized world Wednesday with a telegram from Lerwick in the Shetland Islands, announcing that he reached the Pole April 21, 1908. Dr. Cook is returning on the steamer Hans Egede, due at Copenhagen Saturday. In his final dash for the pole Dr. Cook was not accompanied by a white man, four Esquimaux being his only companions. The news of his success is generally credited by scientific men.

BRODHEAD

The Brodhead Graded School which opened here Monday the 30th, bids fair to be a great success. It is what has long been needed and we know will be appreciated by those interested in education and the upbuilding of our county. The present enrollment is 175. The board of trustees have chosen a faculty that we may well boast of, being teachers of education, refinement and experience. Being Rockcastle material speaks well and they will naturally be interested in the upbuilding of our town and county.

Miss Ida May Adams, the Principal is a graduate of Caldwell College and is well known throughout this and other counties for her educational work in the past several years. She has at her command a patronage given her by those that know her superiority as a teacher, and with the proper support by the patrons of the school and the good people in general, she will make a school here the people may well be proud of. The other members of the faculty consists of three other teachers. Miss Emma Pennington will have charge of the sixth and seventh grades; Prof. Jacob Elder the Intermediate and Miss Carrie Frith the Primary. The teacher in charge of Music will be supplied at an early date, so nothing will be spared to make this as good a graded school as can be found anywhere.

To those whose means are limited and can not send their children to college at a great cost, can receive the same training here that can be

had in other schools, at a much less cost.

Call on the Secretary or write for a catalogue; give the school your investigation and we feel sure of your patronage.

Miss Etta Cable is visiting relatives at Paris.—John Perkins, of Junction City, is here as guest of Mr. R. S. Martin's family.—Postmaster John Robbins has a very sick baby, but is reported better today.—Miss Elizabeth Tharp has returned from a weeks stay in Danville.—Miss Cora Griffin spent Friday until Sunday in town.—Mrs. Benton and family will soon remove to their residence near fair grounds which is to be vacated by Mr. Frank Brooks and family who will occupy one of R. S. Martin's residence on College St.—Born to the wife of Tilden Frith a fine boy on the 30 inst.—J. Thos. Cherry and wife are attending the Somerset fair.—The Baptist Association will be held here next week beginning Tuesday. The first day will be devoted to Sunday school work. A large attendance is expected and great preparations are being made to entertain those who will likely attend. The convention will be held at the Fair grounds on Tuesday. Dinner on the grounds. Everybody invited to come and bring full baskets.

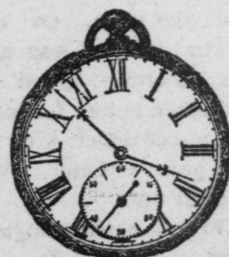

The Rockcastle County Teachers Institute will convene in Mt. Vernon, Monday, Sept. 6th, 1909. All teachers who hold certificates for said county are required to be in attendance the full five days. SUES FOR DIVORCE

A special from Winchester says: Mrs. Sarah C. Youtsey, through her attorney, Hon. J. M. Steveson has filed a petition in the Clark Circuit Court for absolute divorce from her husband, Henry E. Youtsey, who is now confined in the penitentiary serving a life sentence for the murder of Governor Goebel.

The plaintiff in her petition states that she has been a resident of Clark county for the last nine years past and that the defendant has resided in Franklin county for more than a year last past. The grounds upon which she is asking for divorce are condemnation as a felon and separation for five years. The petition states that the plaintiff and the defendant were married in the year 1897 and lived together as husband and wife until March 1900; that in the year 1900, by judgement rendered in the Scott Circuit court plaintiff was sentenced to the penitentiary for life and that there-after he was imprisoned in the State Penitentiary at Frankfort pursuant to said judgment and is still confined there.

Plaintiff prays for divorce and that she be allowed to assume her former name, Miss Sarah C. French. Mrs. Youtsey is a daughter of the late Stephen French and is now living in this city.

NOMINATED:—J. Harvey Vanhook, so well and favorably known in Rockcastle has been nominated by the Democrats of Pulaski for County Court Clerk. Neighbors, believe us, when we tell you that he is honest thru and thru; that he is thoroughly capable and will make you a clerk of whom you can and will be justly proud.

James Rickels accidentally shot himself Saturday evening, with a 22 rifle and for some time, it was thought that the wound might prove fatal. He had been out in the woods and took the gun with him. Returning home, he went to the usual place to hang it up but not being securely fastened fell discharging the gun, the ball entering the right side of the abdomen. Fortunately the ball passed around instead of going straight in, and was removed Sunday by Drs. Southard and Lawrence and since then the patient has been doing very nicely. He is now thought to be entirely out of danger.

No one was present with Mr. Rickels when the accident occurred his wife being with her parents, Mr. and Mrs. Boone, near Maywood. Mrs. Rickels came home Sunday.

Nath Bussel and James Jones who were arrested a few days since by deputy sheriffs, T. J. Nicley and G. S. Griffin, charged with taking goods from the stores of Mat Mink, Wesley Mink and Harvey Mink, waived the right of examination Wednesday and were held over till the December term of the Circuit Court on a bond of \$500 each, which they failed to give. A part of the missing goods were found at Bussels home and a part at the home of Jones. The defendants claim they bought the goods, but we are told that Jones has already made two different statements, one that he bought his goods from R. A. Whitehead and a nother that he bought them from a clerk whose name he did not give. Whether the parties are guilty or not, they are, confronted with a most serious charge, and having the goods in their possession makes the evidence pretty strong. There has been entirely too much stealing going on in the county for the past few months and of all people to be feared, it is the thief, and second the liar.

LATER:—Jones realizing that he is up against it and that the easiest way out is the best, tells the whole story. He says that he and Bussel robbed Harvey Minks store twice, and that they also stole two sides of meat from one of the Pitman's. He also incriminates Tobe Carpenter. He said that one of the times when he and Bussel robbed Harvey Minks store, Carpenter, was along and held their horses while they did the work, for which they gave him one of the five sacks of flour which they got. It seem that Bussel is recognized as the main leader and since his arrest numerous thefts which have been committed in that section of the county are being charged to him.

S. H. Webb, an insurance agent of Louisville, was shot four times and fatally wounded at Fort Worth, Tex., Saturday by T. E. Baldwin, of Abilene, Tex., in the lobby of the Majestic Hotel. Baldwin followed Webb into a nearby restaurant and continued shooting at him until the latter fell to the floor. Baldwin surrendered to the police and refused to make any statement.

The trouble is said to have occurred as the result of certain land deals. The deceased was a brother of Dr. R. G. Webb, of Livingston.

Many country merchants who fail in business, or cannot make money, attribute it to the fact that their people won't give them their patronage, but send their money to mail order houses in the cities, and frequently get no better bargains than if they had spent their money at home. It will not be disputed that large sums of money are sent every week, month and year to these foreign concerns and that none of it never comes back. This condition of things works injury to home merchants. The statement is made that R. W. Sears, a mail order man of Chicago, and only forty-five years of age has just retired from business with a fortune of \$25,000,000. He made this vast sum in seventeen years. This colossal fortune was made at the expense of hundreds and thousands of small merchants in all parts of the country. How much money did Mr. Sears ever contribute to help keep up a church or a school-house in Kentucky or in any other state from which he reaped such a rich harvest?—Rx.

Women Suffer Agonies from Diseased Kidneys

And Most Women Do This Not Knowing the Real Cause of their Condition

These poor, suffering women have been led to believe that their misery of mind and body is entirely due to "ills of their sex." Usually the kidneys and bladder are responsible—or largely so. And in such cases, the kidneys and bladder are the organs, that need and must have attention.

Those torturing, enervating sick headaches, dragging pains in back, groin and limbs, bloating and swelling of the extremities, extreme nervousness or hysteria, listlessness and constant tired, worn-out feeling—are almost certain symptoms of disordered and diseased kidneys, bladder and liver.

DeWitt's Kidney and Bladder Pills have, in thousands of cases, been demonstrated as remarkably beneficial in all such conditions of female organs—affording the most prompt relief and permanent benefit.

As an illustration of what these Pills will do, Mrs. P. M. Bray of Columbus, Ga., writes that she was very ill with kidney trouble, and that she is now well—and that these Pills are what cured her.

They are very pleasant to take, and can in no case, produce any deleterious effects upon the system—as syrupy, alcoholic, liquid prep-
